

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE:** Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact Member Services at (855)-428-7284 or visit www.curative.com. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or call (855)428-7284 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible ?	<p>With Baseline Completion: \$0 in-network. \$0 out-of-network</p> <p>Without Baseline Completion: \$5,000 individual/\$10,000 family in-network. \$5,000 individual/\$10,000 family out-of-network</p>	<p>Generally, you must pay all the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</p> <p>Curative requires the completion of a Baseline Visit within 120 days of your effective date in the Curative Plan, to ensure you will pay the lowest cost (typically \$0) for your copays, deductible, and coinsurance. The Baseline Visit is a meeting with a Curative Clinician to onboard you to the health plan and understand your health goals. The Baseline visit must be scheduled and completed within 120 calendar days of your effective date in the Curative Plan. In your first year, for the first 120 calendar days your costs will automatically align with the amounts noted for Baseline Completion. Reference your benefit booklet for Baseline Visit requirements at renewal.</p> <p>If you do not complete the Baseline Visit within 120 days, the copays, deductibles, and coinsurance shown in this and the following tables for “Without Baseline Completion” will apply.</p> <p>You are not required to answer health questions regarding disability or genetic information or complete medical examinations during the Baseline Visit in order to qualify as completed.</p>
Are there services covered before you meet your deductible ?	Yes. Preventive care and immunizations for children under the age of 6 are covered before you meet your deductible .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .

Important Questions	Answers	Why This Matters:
Are there other deductibles for specific services?	No	You don't have to meet deductibles for specific services
What is the out-of-pocket limit for this plan ?	<p>With Baseline Completion: For in-network and out-of-network providers \$0 individual/ \$0 family; Non-Preferred Brand Name & Generic drugs and Non-preferred Specialty Drugs \$7,500 individual/ \$15,000 family</p> <p>Without Baseline Completion: For in-network and out-of-network providers \$7,500 individual/ \$15,000 family</p>	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit ?	Premiums , balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.curative.com or call (855)428-7284 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No	You can see the specialist you choose without a referral .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
